

International Pangea Math World Olympiad Invitation Letter

Dear Students, Teachers and Parents,

We are honored to invite you to the International Pangea Math World Olympiad, which is organized by the Pangea Association in Germany.

It has grown into a significant international mathematics olympiad attracting over 3 million students from 22 European countries since the first Pangea Math Olympiad was held in Germany in 2007.

With the rise in popularity of online trainings during the Corona period, the Pangea Math Olympiad opened its doors to the entire world in 2022 and was held online for the first time globally. Registration for Pangea Math World 2023 started on 1 November 2022 and is still ongoing.

In addition, the Pangea Germany Finals will be held as a physical event in Berlin on 5-8 May 2023 where international students will be able to participate in individual and team competitions.

General Conditions of the PMWO Online Rounds:

1. All students in grades 3 through 12 are eligible to compete in the Pangea Math World Olympiad.
2. Students can also register on their own. There is no requirement to be registered by the school or teacher.
3. Exams are divided into 2 rounds: Qualification and Final Rounds.
4. The Qualification Round exam has a participation fee of 20 €. Participation in the International Final Round exam is FREE for qualified students.
5. Pangea Math World exams will be available in 4 languages: English, French, Russian and Azerbaijani.
6. In the Qualification Round, 3-5-7-9-11th grade students who score 50 or more points, and 4-6-8-10-12th grade students who score 65 or more points, advance to the International Pangea Math World Finals.
7. The Qualification Exam, which will be held on 28 January 2023, will be available all day for 24 hours by GMT time. Students are free to take the exam at any time they choose.

8. Students may take the exam at home, school, library or any other place that has stable internet connection. Students are not required to be supervised by their teachers or parents.
9. Zoom connection and camera must be on during the exam.

General Conditions of the PMWO Germany Finals (5-8 May 2023):

1. Pangea Math World Olympiad - Germany Finals is an onsite Mathematics Olympiad that is open to all students from all countries in grades 6 to as long as they meet other participation requirements.
2. PMWO - Germany Finals will be held at the Technical University of Berlin on 5-8 May 2023.
3. PMWO - Germany Finals is an organization that is independent of online exams and their results. There is no requirement to take the online exams in order to be able to participate in this organization. However, it is strongly recommended to take online exams in preparation for the Germany Finals.
4. PMWO - Germany Finals has a capacity of 280 people, including 240 students and 40 teachers. Each teacher can participate in the PMWO - Germany Finals with a team of at least 6 students.
5. The top 3 students in each grade level from 6th to 11th in the Online Rounds have the opportunity to attend the Germany Finals with a discounted fee:
1st places > Free
2nd places > 75% Discount
3rd places > 50% Discount
6. Only teachers can submit applications for the PMWO - Germany Finals on behalf of their students or schools. Students or parents cannot apply individually.
